UPRIVER CERAMICS

By Matt Kearney

Artwork | Classes | Demonstrations

Bonita Springs National Art Festival

2 more national art festivals will be in the park surrounding the art cottages with hundreds of artists from all over the country displaying here. February 10-11 and March 3-4, 10am-5pm

Art Night at the Cottages

Our Art Night event will be the 4th Wednesday of every month. Free wine, guest artists, kids activities. What more could you want? Contact me to participate as a guest artist for free. The next one is February 28, 5:30-8pm

Shangri-La Springs Art & Nature Night

I won't be at this month's event since I've been booked to do a pottery wheel demo at a private function on the same night. But do be sure to stop by this wonderful local event. 2nd Wednesday each month, February 14, 6-9pm

Classes/Lessons

Email me to set one up!

What's New?

My last batch of mugs, pendants, and small plant themed vessels made it through the kiln with flying colors! Many of them have already sold but there are still plenty left. The blue glaze on the mugs came out great. A definite must-see in person to see the beautiful way it flows over the different textures. If you are from out of town or can't make it by the cottages, almost all of my current pieces are for sale on my Etsy shop for as little as $10. Take a look at www.Etsy.com/Shop/UpriverCeramics

I made a new time lapse video of the carving/cutting process for the piece on the top left in the above picture. I've been experimenting with new designs and using a laser level to achieve straighter/cleaner lines needed for this type of design. Or maybe it just helps my perfectionist tendencies. Who knows!? You can see it on my Facebook page or on Youtube by going here: https://www.youtube.com/watch?v=CfyNOtKV_QQ

Click on the events tab on my website to see all the events going on in the park this season. January's National Art Festival in the park was a lot of fun and I am looking forward to the second of three this coming weekend. Be sure to see us at the cottages while you're here.

Don't forget to follow me on Facebook and Instagram too!
